SCHEDULES OF ASSETS AND LIABILITIES FOR SENTRON MEDICAL, INC.

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF OHIO, WESTERN DIVISION**

**GENERAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMER REGARDING THE
DEBTORS' STATEMENTS AND SCHEDULES (the "Global Notes")**

GENERAL

On May 8, 2009 (the "Petition Date"), SENCORP, Senco Products, Inc., Senco Export, Inc., SenSource Global Sourcing, LLC, TyRex, LLC, Global Fastening Solutions, LLC, Agrifast, LLC, Nexicor, LLC, Omnifast, LLC, S C FINANCIAL, INC., Senco International, Inc., Sentron Medical, Inc., and Gregg Laboratories, Inc. (the "Debtors") each commenced a voluntary case under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of Ohio, Western Division (the "Bankruptcy Court"). The Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs ("Statements"), including all attachments thereto, have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited.

While the Debtors' management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors. Unless otherwise noted, the information set forth herein is as of May 8, 2009; provided, however, that information regarding inventory is as of April 30, 2009. Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements. The Debtors reserve their rights to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding the Debtors' Schedules and Statements comprise an integral part of the Schedules and Statements filed by the Debtors, and should be referenced in connection with any review of the Schedules and Statements. Moreover, these Global Notes are in addition to any specific notes contained in each of the Debtors' Schedules or Statements. The fact that the Debtors have included notes with respect to any specific item in the Schedules or Statements should not be interpreted as a decision by the Debtors to exclude the applicability of such a note to any other items in the remaining Schedules and Statements.

The Schedules and Statements have been signed by David T. Fyffe, Vice President-Corporate Financial Operations and Treasurer of SENCORP and an officer or manager of the other Debtors. In reviewing and signing the Schedules and Statements, Mr. Fyffe has

necessarily relied upon the efforts, statements, and representations of the accounting and non-accounting personnel of the Debtors. Mr. Fyffe has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Book Value. Unless otherwise noted, each asset and liability of the Debtors is shown on the basis of the book value of the asset or liability in the Debtors' accounting books and records, rather than the current market values of such interests in property and/or liabilities. The Debtors reserve their right to amend or adjust the value of each asset or liability.

Liabilities. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information available and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors also reserve their rights to change the allocation of liability to the extent additional information becomes available.

Pursuant to orders of the Bankruptcy Court, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees and taxing authorities. Accordingly, these liabilities have been or will be satisfied and may or may not be listed in the Schedules and Statements.

Reporting of Certain Information. The Debtors have sought to gather the information required in the Schedules and Statements and isolate business operations in order to file Schedules and Statements for each Debtor on an individual basis. However, because the Debtors have historically reported on a consolidated basis and operate under a consolidated cash management system, in certain instances it would be unduly burdensome for the purposes of these Schedules and Statements for the Debtors to separately identify transactions and reflect certain information, including setoffs, on an individual basis. Accordingly, the Schedules and Statements may not reflect all payments and setoffs made among the Debtors.

Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors' (a) "directors" or "managers" (or persons in similar positions) and (b) employees that may be, or may have been during the relevant period, "officers" (or persons in control). The Debtors have attempted to exclude in such applicable Statements information relating to certain of their employees who, despite the title of their position with the Debtors (including, without limitation, certain employees with the title of "officer") are not considered to be true "officers" of the Debtors because, among other things, such employees (i) serve or served in a purely administrative and/or ministerial capacity, (ii) were not appointed by the Debtors' board of directors, and/or (iii) do not have or never had any material inside information as a result of their employment with the Debtors.

The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be “insiders” in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Agreements Subject to Confidentiality. There may be instances within the Schedules and Statements where names, addresses and/or amounts have been redacted. The omission of such information was appropriate or necessary due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality or concerns for the privacy of an individual.

Excluded Assets and Liabilities. The Debtors’ books and records reflect certain accrued assets and intangible items, including goodwill, which the Debtors believe to be an unknown or an insignificant value. The Debtors’ books and records also reflect certain accrued liabilities that the Debtors do not believe constitute actual claims as of the Petition Date. As such, these assets and liabilities have been excluded from the Schedules and Statements.

Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

SCHEDULES OF ASSETS AND LIABILITIES

Schedule B.

Credits in the Ordinary Course of Business. In the ordinary course of their businesses, the Debtors apply credits against amounts otherwise due to vendors. Certain of these credits are subject to change. Vendor claims are listed at the amounts reflected on the Debtors’ books and records, which may include credits or allowances due from such creditors to the Debtors. The Debtors reserve all of their rights respecting such credits and allowances.

Causes of Action. The Debtors, despite their best efforts, may not have listed all of their causes of action against third parties as assets in the Schedules. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Intellectual Property. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been

terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

Other Personal Property. Prior to the Petition Date, the Debtors paid in full for the purchase of certain goods that were shipped after the Petition Date. In such instances, the payments are not reflected as assets in the Schedules.

Schedule D. Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance, of any lien purportedly granted to a secured creditor listed on Schedule D or perfected in any specific asset. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary. Holders of claims that are secured by virtue of setoff rights or security deposits are not included in Schedule D.

As set forth in Schedule D, as of the Petition Date, the sum owed under the Second Amended and Restated Credit Agreement dated March 30, 2007 among SENCORP, Senco Products, Inc., the various financial institutions party thereto and Bank of America, N.A. ("BoA"), successor by merger to LaSalle Bank National Association, as global administrative agent (the "Credit Agreement"), was an aggregate amount of approximately \$23,000,000. The amount set forth in Schedule D is approximate and it is not an admission of any kind. The Debtors reserve all their rights concerning such stated amount. For informational purposes, the financial institutions that participate in the Credit Agreement are also set forth in Schedule D. The amount of their respective claims is stated as "unknown," given that the administrative agent customarily asserts the aggregate claim on behalf of the participants.

For each Debtor that has provided a guaranty of the Credit Agreement, Schedule D lists the amount of BoA's claim as "unknown," due to the contingent nature of the guaranty.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes shall be deemed a modification or interpretation of the terms of such agreements.

Schedule E.

Wages. As noted above, the Bankruptcy Court entered an order granting the Debtors authority to pay certain prepetition employee wages, compensation, benefits and other related obligations (the “Employee Wage Order”). Pursuant to the Employee Wage Order, the Debtors believe that, other than claims of certain former and current employees in excess of the statutorily permitted priority amount, any employee claims for prepetition amounts have been or will be satisfied, and such satisfied amounts are not listed on Schedule E.

Taxes. Also as noted above, the Bankruptcy Court entered an order granting authority to pay certain prepetition sales, use, trust fund, property and other taxes (the “Tax Order”). Pursuant to the Tax Order, the Debtors were authorized to pay certain prepetition taxes and fees due and owing to taxing authorities consistent with the practices and policies in effect as of the Petition Date. Claims of taxing authorities that were satisfied pursuant to the Tax Order may or may not be included on Schedule E. Claims of taxing authorities that were satisfied in part pursuant to the Tax Order are reflected on Schedule E and listed as “contingent.”

Reservation of Rights. The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve their rights to dispute the priority status of any claim on any basis. Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtors that such claim is a prepetition tax claim. The Debtors reserve their rights to treat any of these claims as postpetition claims.

Schedule F.

Customer Programs. The Bankruptcy Court entered an order granting authority to honor certain prepetition customer programs. Accordingly, certain debts arising out of customer programs may or may not have been included on the Debtors’ Schedules and Statements.

Executory Contracts. Schedule F reflects the prepetition amounts owing to, among others, counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that have been or may be rejected.

Bonus and SERP Payments. With respect to employee bonuses and payments under the Debtors’ Supplemental Executive Retirement Plan (“SERP”), Schedule F reflects amounts that accrued and remained unpaid as of the Petition Date. Schedule F does not, however, reflect payments that may accrue and become due and payable after the Petition Date.

Utility Company Setoffs. Schedule F reflects prepetition amounts owed to utility companies as of the Petition Date, according to the Debtors’ books and records. Pursuant

to section 366(c)(4) of the Bankruptcy Code, certain utilities, however, may have set off prepetition deposits against prepetition amounts owed. Accordingly, the exact amounts owed to utility companies as of the Petition Date may differ from the amounts reflected on the Debtors' books and records.

Payment of Certain Prepetition Claims. The Bankruptcy Court approved the payment of certain unsecured prepetition claims, including, without limitation, certain claims of critical vendors, shippers and warehousemen. To the extent that the Debtors have paid these claims, they are not reflected in Schedule F. However, the Debtors are still in the process of analyzing these claims, and accordingly, some of such claims may be reflected in Schedule F and may subsequently be paid in the ordinary course of business pursuant to the Court order. Moreover, certain amounts have been or may be classified as reclamation claims or claims pursuant to section 503(b)(9) of the Bankruptcy Code.

Other. The claims listed on Schedule F arose or were incurred on various dates and a determination of each date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule F, however, appear to have arisen or to have been incurred prior to the Petition Date.

Schedule G.

Executory Contracts. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G; they are not reflected in Schedule F, unless an amount was due under a particular contract as of the Petition Date.

Reservation of Rights. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtors reserve all rights in that regard, including, without limitation, the right to challenge an agreement as not executory, expired pursuant to its terms, or terminated prepetition.

Claim Descriptions and Amounts. Any failure to designate a claim on the Debtors' Schedules as "contingent," ("C") "unliquidated," ("U") or "disputed" ("D") does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." The Debtors reserve their rights to dispute, or to assert offsets or defenses to any claim reflected on the Schedules as to amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as

“contingent,” “unliquidated,” or “disputed.” Moreover, the Debtors reserve their rights to amend their Schedules as necessary and appropriate.

Claim amounts that could not be fairly quantified by the Debtors are scheduled as “unknown,” and with a C, U, and/or D notation, whichever is appropriate, given the individual circumstances.

STATEMENT OF FINANCIAL AFFAIRS

Question 3(b).

The responses to Question 3(b) do not include wages or salaries paid to employees during the stated 90-day period. With regard to amounts still owing, the Debtors refer to and incorporate by reference Schedules E and F.

Question 3(c).

The inclusion of a payment to an entity in response to Question 3(c) shall not be deemed to be an admission that the recipient of such payments is an “insider” within the meaning of the Bankruptcy Code and the Debtors reserve all rights in that regard.

In connection with amounts still owing, the Debtors refer to and incorporate by reference Schedules E and F.

Question 4.

The Debtors, despite their best efforts, may not have listed all of their causes of action against third parties as assets in the Statements. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Moreover, Senco Products, Inc. is a party to more than 300 workers compensation claims brought by parties who are included in Schedule F. Such claims are not reflected in Senco Products, Inc.’s response to Question 4.

Question 5.

The Debtors routinely return property to sellers in the ordinary course of business for various reasons, including that the products were defective or damaged or were shipped erroneously. Other than these ordinary course items, the Debtors are not aware of any property that has been returned to a seller.

Question 9.

Global Fastening Solutions, LLC made certain payments related to debt counseling and/or bankruptcy and such payments were made for the benefit of all Debtors in these chapter 11 cases.

Question 13.

As stated above, the Debtors believe that pursuant to section 366(c)(4) of the Bankruptcy Code, certain utility providers may have applied prepetition deposits to prepetition obligations. At this time, the Debtors do not have a list of all utility providers that have set off prepetition deposits.

Question 19d.

The Debtors, in the ordinary course of conducting their business, may have provided financial information, including financial statements, to numerous parties including, among others, banks, customers, vendors, and landlords. The Debtors do not have a record of their delivery of all such financial statements and, accordingly, there may be certain entities that received a financial statement that were not included in the response to Question 19d.

**GENERAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMER REGARDING THE
DEBTORS' STATEMENTS AND SCHEDULES (the "Global Notes")**

GENERAL

On May 8, 2009 (the "Petition Date"), SENCORP, Senco Products, Inc., Senco Export, Inc., SenSource Global Sourcing, LLC, TyRex, LLC, Global Fastening Solutions, LLC, Agrifast, LLC, Nexicor, LLC, Omnifast, LLC, S C FINANCIAL, INC., Senco International, Inc., Sentron Medical, Inc., and Gregg Laboratories, Inc. (the "Debtors") each commenced a voluntary case under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of Ohio, Western Division (the "Bankruptcy Court"). The Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs ("Statements"), including all attachments thereto, have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited.

While the Debtors' management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors. Unless otherwise noted, the information set forth herein is as of May 8, 2009; provided, however, that information regarding inventory is as of April 30, 2009. Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements. The Debtors reserve their rights to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding the Debtors' Schedules and Statements comprise an integral part of the Schedules and Statements filed by the Debtors, and should be referenced in connection with any review of the Schedules and Statements. Moreover, these Global Notes are in addition to any specific notes contained in each of the Debtors' Schedules or Statements. The fact that the Debtors have included notes with respect to any specific item in the Schedules or Statements should not be interpreted as a decision by the Debtors to exclude the applicability of such a note to any other items in the remaining Schedules and Statements.

The Schedules and Statements have been signed by David T. Fyffe, Vice President-Corporate Financial Operations and Treasurer of SENCORP and an officer or manager of the other Debtors. In reviewing and signing the Schedules and Statements, Mr. Fyffe has

necessarily relied upon the efforts, statements, and representations of the accounting and non-accounting personnel of the Debtors. Mr. Fyffe has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Book Value. Unless otherwise noted, each asset and liability of the Debtors is shown on the basis of the book value of the asset or liability in the Debtors' accounting books and records, rather than the current market values of such interests in property and/or liabilities. The Debtors reserve their right to amend or adjust the value of each asset or liability.

Liabilities. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information available and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors also reserve their rights to change the allocation of liability to the extent additional information becomes available.

Pursuant to orders of the Bankruptcy Court, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees and taxing authorities. Accordingly, these liabilities have been or will be satisfied and may or may not be listed in the Schedules and Statements.

Reporting of Certain Information. The Debtors have sought to gather the information required in the Schedules and Statements and isolate business operations in order to file Schedules and Statements for each Debtor on an individual basis. However, because the Debtors have historically reported on a consolidated basis and operate under a consolidated cash management system, in certain instances it would be unduly burdensome for the purposes of these Schedules and Statements for the Debtors to separately identify transactions and reflect certain information, including setoffs, on an individual basis. Accordingly, the Schedules and Statements may not reflect all payments and setoffs made among the Debtors.

Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors' (a) "directors" or "managers" (or persons in similar positions) and (b) employees that may be, or may have been during the relevant period, "officers" (or persons in control). The Debtors have attempted to exclude in such applicable Statements information relating to certain of their employees who, despite the title of their position with the Debtors (including, without limitation, certain employees with the title of "officer") are not considered to be true "officers" of the Debtors because, among other things, such employees (i) serve or served in a purely administrative and/or ministerial capacity, (ii) were not appointed by the Debtors' board of directors, and/or (iii) do not have or never had any material inside information as a result of their employment with the Debtors.

The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be “insiders” in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Agreements Subject to Confidentiality. There may be instances within the Schedules and Statements where names, addresses and/or amounts have been redacted. The omission of such information was appropriate or necessary due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality or concerns for the privacy of an individual.

Excluded Assets and Liabilities. The Debtors’ books and records reflect certain accrued assets and intangible items, including goodwill, which the Debtors believe to be an unknown or an insignificant value. The Debtors’ books and records also reflect certain accrued liabilities that the Debtors do not believe constitute actual claims as of the Petition Date. As such, these assets and liabilities have been excluded from the Schedules and Statements.

Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

SCHEDULES OF ASSETS AND LIABILITIES

Schedule B.

Credits in the Ordinary Course of Business. In the ordinary course of their businesses, the Debtors apply credits against amounts otherwise due to vendors. Certain of these credits are subject to change. Vendor claims are listed at the amounts reflected on the Debtors’ books and records, which may include credits or allowances due from such creditors to the Debtors. The Debtors reserve all of their rights respecting such credits and allowances.

Causes of Action. The Debtors, despite their best efforts, may not have listed all of their causes of action against third parties as assets in the Schedules. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Intellectual Property. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been

terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

Other Personal Property. Prior to the Petition Date, the Debtors paid in full for the purchase of certain goods that were shipped after the Petition Date. In such instances, the payments are not reflected as assets in the Schedules.

Schedule D. Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance, of any lien purportedly granted to a secured creditor listed on Schedule D or perfected in any specific asset. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary. Holders of claims that are secured by virtue of setoff rights or security deposits are not included in Schedule D.

As set forth in Schedule D, as of the Petition Date, the sum owed under the Second Amended and Restated Credit Agreement dated March 30, 2007 among SENCORP, Senco Products, Inc., the various financial institutions party thereto and Bank of America, N.A. ("BoA"), successor by merger to LaSalle Bank National Association, as global administrative agent (the "Credit Agreement"), was an aggregate amount of approximately \$23,000,000. The amount set forth in Schedule D is approximate and it is not an admission of any kind. The Debtors reserve all their rights concerning such stated amount. For informational purposes, the financial institutions that participate in the Credit Agreement are also set forth in Schedule D. The amount of their respective claims is stated as "unknown," given that the administrative agent customarily asserts the aggregate claim on behalf of the participants.

For each Debtor that has provided a guaranty of the Credit Agreement, Schedule D lists the amount of BoA's claim as "unknown," due to the contingent nature of the guaranty.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes shall be deemed a modification or interpretation of the terms of such agreements.

Schedule E.

Wages. As noted above, the Bankruptcy Court entered an order granting the Debtors authority to pay certain prepetition employee wages, compensation, benefits and other related obligations (the “Employee Wage Order”). Pursuant to the Employee Wage Order, the Debtors believe that, other than claims of certain former and current employees in excess of the statutorily permitted priority amount, any employee claims for prepetition amounts have been or will be satisfied, and such satisfied amounts are not listed on Schedule E.

Taxes. Also as noted above, the Bankruptcy Court entered an order granting authority to pay certain prepetition sales, use, trust fund, property and other taxes (the “Tax Order”). Pursuant to the Tax Order, the Debtors were authorized to pay certain prepetition taxes and fees due and owing to taxing authorities consistent with the practices and policies in effect as of the Petition Date. Claims of taxing authorities that were satisfied pursuant to the Tax Order may or may not be included on Schedule E. Claims of taxing authorities that were satisfied in part pursuant to the Tax Order are reflected on Schedule E and listed as “contingent.”

Reservation of Rights. The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve their rights to dispute the priority status of any claim on any basis. Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtors that such claim is a prepetition tax claim. The Debtors reserve their rights to treat any of these claims as postpetition claims.

Schedule F.

Customer Programs. The Bankruptcy Court entered an order granting authority to honor certain prepetition customer programs. Accordingly, certain debts arising out of customer programs may or may not have been included on the Debtors’ Schedules and Statements.

Executory Contracts. Schedule F reflects the prepetition amounts owing to, among others, counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that have been or may be rejected.

Bonus and SERP Payments. With respect to employee bonuses and payments under the Debtors’ Supplemental Executive Retirement Plan (“SERP”), Schedule F reflects amounts that accrued and remained unpaid as of the Petition Date. Schedule F does not, however, reflect payments that may accrue and become due and payable after the Petition Date.

Utility Company Setoffs. Schedule F reflects prepetition amounts owed to utility companies as of the Petition Date, according to the Debtors’ books and records. Pursuant

to section 366(c)(4) of the Bankruptcy Code, certain utilities, however, may have set off prepetition deposits against prepetition amounts owed. Accordingly, the exact amounts owed to utility companies as of the Petition Date may differ from the amounts reflected on the Debtors' books and records.

Payment of Certain Prepetition Claims. The Bankruptcy Court approved the payment of certain unsecured prepetition claims, including, without limitation, certain claims of critical vendors, shippers and warehousemen. To the extent that the Debtors have paid these claims, they are not reflected in Schedule F. However, the Debtors are still in the process of analyzing these claims, and accordingly, some of such claims may be reflected in Schedule F and may subsequently be paid in the ordinary course of business pursuant to the Court order. Moreover, certain amounts have been or may be classified as reclamation claims or claims pursuant to section 503(b)(9) of the Bankruptcy Code.

Other. The claims listed on Schedule F arose or were incurred on various dates and a determination of each date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule F, however, appear to have arisen or to have been incurred prior to the Petition Date.

Schedule G.

Executory Contracts. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G; they are not reflected in Schedule F, unless an amount was due under a particular contract as of the Petition Date.

Reservation of Rights. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtors reserve all rights in that regard, including, without limitation, the right to challenge an agreement as not executory, expired pursuant to its terms, or terminated prepetition.

Claim Descriptions and Amounts. Any failure to designate a claim on the Debtors' Schedules as "contingent," ("C") "unliquidated," ("U") or "disputed" ("D") does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." The Debtors reserve their rights to dispute, or to assert offsets or defenses to any claim reflected on the Schedules as to amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as

“contingent,” “unliquidated,” or “disputed.” Moreover, the Debtors reserve their rights to amend their Schedules as necessary and appropriate.

Claim amounts that could not be fairly quantified by the Debtors are scheduled as “unknown,” and with a C, U, and/or D notation, whichever is appropriate, given the individual circumstances.

STATEMENT OF FINANCIAL AFFAIRS

Question 3(b).

The responses to Question 3(b) do not include wages or salaries paid to employees during the stated 90-day period. With regard to amounts still owing, the Debtors refer to and incorporate by reference Schedules E and F.

Question 3(c).

The inclusion of a payment to an entity in response to Question 3(c) shall not be deemed to be an admission that the recipient of such payments is an “insider” within the meaning of the Bankruptcy Code and the Debtors reserve all rights in that regard.

In connection with amounts still owing, the Debtors refer to and incorporate by reference Schedules E and F.

Question 4.

The Debtors, despite their best efforts, may not have listed all of their causes of action against third parties as assets in the Statements. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Moreover, Senco Products, Inc. is a party to more than 300 workers compensation claims brought by parties who are included in Schedule F. Such claims are not reflected in Senco Products, Inc.’s response to Question 4.

Question 5.

The Debtors routinely return property to sellers in the ordinary course of business for various reasons, including that the products were defective or damaged or were shipped erroneously. Other than these ordinary course items, the Debtors are not aware of any property that has been returned to a seller.

Question 9.

Global Fastening Solutions, LLC made certain payments related to debt counseling and/or bankruptcy and such payments were made for the benefit of all Debtors in these chapter 11 cases.

Question 13.

As stated above, the Debtors believe that pursuant to section 366(c)(4) of the Bankruptcy Code, certain utility providers may have applied prepetition deposits to prepetition obligations. At this time, the Debtors do not have a list of all utility providers that have set off prepetition deposits.

Question 19d.

The Debtors, in the ordinary course of conducting their business, may have provided financial information, including financial statements, to numerous parties including, among others, banks, customers, vendors, and landlords. The Debtors do not have a record of their delivery of all such financial statements and, accordingly, there may be certain entities that received a financial statement that were not included in the response to Question 19d.
